Sign in

3. Follow the instructions to complete the captcha. On the next page, you should see your personal email listed as an option. Click the 'Email' button to send a verification code.

Get back into your account

verification step 1 > choose a new password

Please choose the contact method we should use for verification:

Email my alternate email

You will receive an email containing a verification code at your alternate email address (aw*****@lcmail.lcsc.edu).

Email

4. The email should arrive in your personal inbox within a few minutes. Take note of the verification code and enter it into the password reset screen.

Get back into your account

verification step 1 > choose a new password

Please choose the contact method we should use for verification:

Email my alternate email

We've sent an email message containing a verification code to your inbox.

5. After confirming your verification code, you'll be asked to pick a new password. Your password must be at least 14 characters long and will expire every year.

Your password should be a unique password that you only use for your LC State account. This password will protect all your student information; it's important it's secure.
