- **Student Employees and SSO:** As part of the transition of students to the new Microsoft system for Single Sign-On (SSO), any student employees who currently have an @lcsc.edu employee account will instead need to use their WarriorMail account (@students.lcstate.edu) to access employee resources going forward.

 - **When:** As soon as possible, but no later than Sept. 6. On Sept. 6 all student employee's @lcsc.edu accounts will be disabled.
 - Failure to complete this process by the deadline may result in disruption of access to essential campus systems. If you have any questions or need assistance, please contact helpdesk@lcsc.edu.
- **Website Profile:** Because of the recent website replatforming upgrade, faculty and staff will need to have their Umbraco accounts reestablished in order to edit their profiles on the website. To do this, simply use your regular LC State login credential to [login here](#) (click "sign in with lcsc.edu account"). When you first log in you'll only see a blank screen, but don't worry, by logging in you will trigger a process and in less than 24 hours your appropriate access will be added.
