

a. Join from invitation email

This is the simplest way to join a library. Open the invitation email in your mail box.

- It is very important that you first log out of all Librarika libraries (if already logged in) before you proceed.
- Open the invitation email and click on the **activation link** from the email.
- The Join Library form will be opened in your browser.
- For existing Librarika user:
 - Choose the **No, I already have an account in Librarika** option.

Join Library

You are about to join our library as a member / patron. By joining our library you will be able to access our exclusive collection of library materials and do other activities related to your membership with us.

New to Librarika?

Yes, I'm new to Librarika Platform
 No, I already have an account in Librarika

Librarika Login

Please use your existing Librarika account to join the Library. This is the recommended way to join a new Library.

Username/Email

Password

[Forgot Password?](#)

• [Cancel](#)

- Enter login email address and password and click on Login.
- Then, click on the **Yes, please join me in.** button. You will then be joined to the library.

Yes, I'm new to Librarika Platform
 No, I already have an account in Librarika

Create Account

Creating your account at Librarika is completely FREE. You can join as many libraries as you want using one single Librarika account. Creating multiple accounts to access librarika platform is strongly discouraged.

Name

Please enter your full name, e.g. John Doe

Email

Please provide your email address, e.g. John@example.com

Password

Please enter your password, e.g. *****

You must agree to both the [Terms of Use](#) and [Privacy Policy](#) of Librarika in order to join this platform. Please read them first before you continue.

- Enter *name*, *email address* and *password* for a new account.
- Click on the **I agree, please create my account** button. A new account will be created and you will be logged into it automatically.
- Now click on **Yes, please join me in.** button. You will then be joined to the library.
