<b>Graduation Requirements</b>			
Residency Credits		32	
Upper Division Credits		36	
Total CCS & LC State Credits		120	

Complete all required/elective coursework for the AAS and AA-DTA

- This advising guide is based on completion of an Associates in Arts Direct Transfer Agreement (AA-DTA) at Community Colleges of Spokane.
- Students who transfer without an AA-DTA will need to work with an LC State advisor to meet Idaho general education core requirements.
- Students are required to pass the ARRT National Registry Exam before being granted the BA/BS degree at LC State. Completion of both the AAS and the ARRT National Registry Exam allows students the ability to purchase 10 escrow credits for the experienced reflected in RS 363 Applied Radiography III.
- 32 Residency (LC State) credits required for graduation/ 36 credits must be upper division. To meet this requirement, students may be eligible for escrow credits. Contact RS advisor for determination.
